THE 1986-87 ANNUAL
IS DEDICATED TO

DONNA SHELLEY

FUN HELPFUL EXCITING

These are just a few words out of many that describe Mrs. Donna Shelley. She was a substitute teacher for Joseph City High School during the 86-87 school year. She could put up with anything that kids dish out to substitute teachers. The kids could always count on a great class, which she worked hard to make interesting, for everyone. Her classes were definitely not boring. She was interested in each and every student and very helpful. She had a special knack of making you feel good about yourself. Everyone remembers how she participated with the rest of us during Homecoming Week in all of the activities. She was just as crazy as the rest of JCHS students and put a lot of spirit into that week. We, as the Joseph City High School Annual Staff, would like to dedicate this yearbook to her and thank her for all she has done for Joseph City High School which is a salute to outstanding substitute teachers.

SCHOOL DAY MEMORIES
As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.
We hope friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-by
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending—
Think a new life has begun.

JULIO

Julio Cabrera was our foreign exchange student from Guatemala City, Guatemala. He was 14 years old and a sophomore when he came to Joseph City. In his family he has one sister and two brothers, one of which lives in New Jersey.

Julio was very ambitious this year. He went out for wrestling and track. Julio did very well in both of these sports.

If you know Julio, you know that he is very outgoing with a fantastic personality! He is also very thoughtful and kind.

After high school, Julio hopes to go to college and become an architect.

FOREIGN EXCHANGE STUDENTS

MONICA

Monica Campos was our foreign exchange student from Culicacan, Sinalor, Mexico. She is an only child, and enjoys it. Monica was 17 years old and a senior when she arrived in Joseph City.

This year Monica went out for cheerleading and was very good at it. She was also on the annual staff and took her responsibilities very seriously. She is a hard worker.

Monica is planning to go to college. She says school is much harder in her country. Her interests are in computer science, communications or architecture.

Monica is a fun-loving person who is always willing to help others. Everyone enjoyed being around Monica.
